MONTAMAR APARTMENT FOR SALE

This reformed and spacious apartment with outstanding sea and port views is located in an elevated position in Puig d'es Part, high above the Club de Vela. The property is located in the well established community of Montamar which was one of the first developments on this side of the port and which was built in 1978 set on one of the best plots in the whole area. The panoramic views towards the harbour from a bird's perspective are breathtaking and will never stop to amaze you. Everyday at 5pm you can watch the fishing boats arrive back to the port after a hard day's work returning their catch.

The property comprises 3 bedrooms and 2 bathrooms and has a total constructed area of about 135 m2 including about 25 m2 terraces plus garden. The distribution on various levels have a certain house character rather than an apartment. The views over the harbour are amazing.
